

CHILD INFORMATION SHEET

Child's Name _____

- * Please list the people who live in your house and how your child refers to them.

- * What language(s) does your child speak/understand? If English is a second language for your child, please share words in your native language that you believe will help your child's transition to the classroom.

- * How would you describe your child's temperament?

- * What are his/her strengths?

- * How does he/she respond to challenges or new situations?

- * Does your child have physical needs and/or health issues?

- * Please describe your child's special life experiences (trips, relationships, events, new baby, etc.)

- * Does your child have any definite fears?

- * Does your child have a special comfort item? If so, what does he/she call that item?

- * Is there anything else you would like us to know about your child or your family?

Thank you!
