

TODDLER CAMP

Prepare your children for their first school experience with toddler camp!

This camp is all about **sensory education** and **outdoor fun!** We will play in the sand, in water, with bubbles, and everything in between! The toddlers will play in **small, dedicated playgrounds** that are designed for our youngest children. We work to overcome separation, start introducing the rhythm of school, and create familiar faces, all of which will help make the transition to school in September smooth and easy. Most of all, the goal is to have FUN!
